

## How to find us

© Biopark Regensburg GmbH / Fotoart Elisabeth Wiesner

Assay.Works is located at the **BioPark II**, next to the Regensburg university campus.

Street address: **Am BioPark 11, 93053 Regensburg**. *On older maps, the street address may still appear as "Josef-Engert-Strasse 11"*. Use the main entrance of BioPark building II, cross the Atrium to the end and enter through the glass door showing the Assay.Works sign.

### By Air

Via **Munich airport (MUC)**: Transfer time to Regensburg is around 90 min. by car or train. Direct train connection to Regensburg available from the train station in Terminal 1.

Via **Nürnberg airport (NUE)**: Transfer time to Regensburg is 60-90 min. by car or train. Underground station to Nürnberg Main Station in front of the Airport terminal. Continue with one of the direct trains to Regensburg.

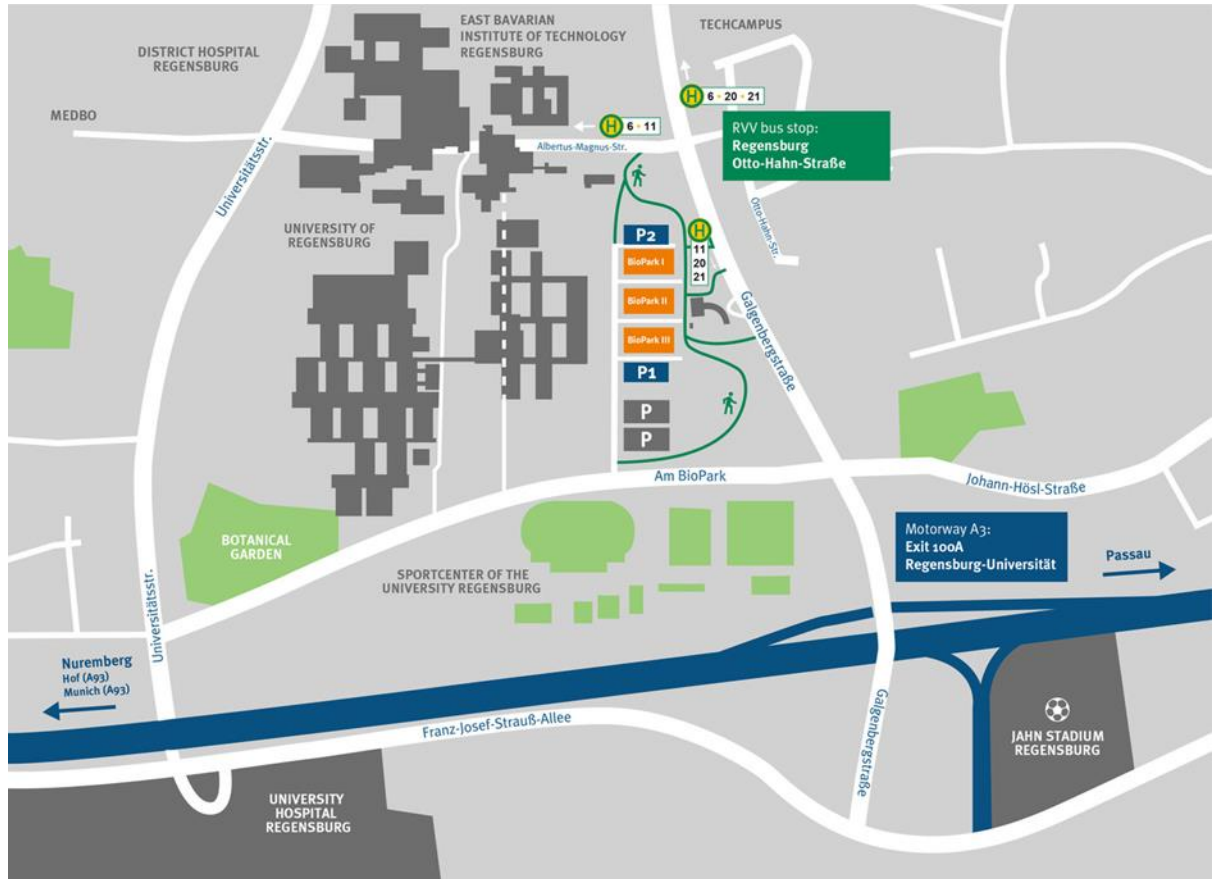

Shuttle and limousine services are provided by [AirportLiner](#).

### By Car

From **Munich or Berlin/Weiden (A93)**: At intersection "Kreuz Regensburg", change to A3 eastbound to "Regensburg-Ost/Passau (99)". Use the next exit "Regensburg-Universität (100a)" and follow directions to "Universität/BioPark".

From **Nürnberg or Passau/Vienna (A3)**: Use exit “Regensburg-Universität (100a)” and follow directions to “Universität/BioPark”.

For **visitor parking**, please see [Regensburg - BioPark Regensburg GmbH \(biopark-regensburg.de\)](http://biopark-regensburg.de).

## Public Transportation

For direct trains to Regensburg Main Station (Regensburg Hbf), see [www.bahn.de](http://www.bahn.de)

A **cab-stand** is located in front of the central station (north exit “City”) and in front of the shopping mall (south exit “Arcaden”); ride time to Assay.Works is 5 to 10 min.

For **bus connections**, use south exit (shopping mall “Arcaden”) and walk to bus stop “Hbf Süd/ Arcaden” at the of the Galgenberg bridge.

Use **bus line 6, C6, 11, 20, or 21** (direction “Klinikum” or “Universität”) and exit at bus stop “Otto-Hahn-Straße”. Follow the walkway signs to “Biopark”.
